A Surfside Story

Located at the northern park entrance, **Surfside Grill and Adventures** is the official concession operator of the Sebastian State Park, the premier saltwater fishing spot on Florida's east coast!

Our serene, oceanfront experience features a Caribbean and Southern-influenced menu of "farm-to-table" options.

We also offer full-service event planning for weddings, family reunions, corporate events and more. Our second-story banquet room is available for reservations and boasts views of the surrounding park, Sebastian inlet, ocean and lagoon.
